Hi all,

This is what I am sending up. I corrected a bunch of typos and acronym inconsistencies and changed the format a little. Sending so you have the version I sent up, and for your use.

Thanks again for the fast turnaround, Jason.

Have a great weekend
Rachel

Hi Rachel

I am running off to a meeting on Rosemont. Jason said he would review your update and get back to you by 5:30 ET.

Elizabeth - Thanks for calling. Here is my draft. It's a bit long but I think Nancy and Ken can skim if they want.

Thanks for turning this around quickly. I probably need it back by 5:30 my time at the latest.

Hi Rachel

I am in a meeting at 1 -3 pm today, but I can take a call at 1 pm or step out if I know when you will call. Conversely, I am happy to review your draft. I have to leave about 3 pm today. E.

Elizabeth,
I have passed along your question. I'll let you know what I hear.

I've been asked to send an updated fact sheet to my management this afternoon to go up to Nancy/Ken by COB in preparation for a meeting that they have with Cynthia Giles on Monday morning on Rosemont. I'm working on that but I would love your assistance in making sure that it is truly up to date and accurate. Can I call you in an hour or so to discuss? Or send it over for your edits?

Thanks
Rachel
